SUBJECT : Polygraphing of Agency Retirees

1. The Director of Security has established as a matter of policy that Agency retirees, who have been retired for more than one year and who are now being considered for other use by the Agency (independent contractor, consultant, etc.), will undergo a polygraph examination prior to the granting of a security approval for such use.

2. The Director of Security has also formulated the policy that polygraph examinations for Agency retirees described above will be limited to questions contained

25X1A

3. Effective immediately, polygraph examinations of Agency retirees will be confined to guidelines set forth in paragraph 2 above.
